

VICTORY RIDES ON RUBBER!

Announcing . . . AMITY-RED CROSS RUBBER CAMPAIGN!

Rubber rides in the forefront of salvage, is most essential to our national war effort. Almost every major war project would stop if rubber needs were not kept supplied. The loss of rubber imports means complete salvage of all possible rubber articles. It is a national emergency, and can only be met by united, national effort. The Amity-Red Cross Salvage Campaign has inaugurated a special drive for collection of rubber articles.

100 GAS STATIONS CO-OPERATE

To provide city-wide, convenient depots for all rubber articles, the Gasoline Stations of Hamilton are offering their facilities to the Amity-Red Cross rubber campaign. Clean out and bring in your articles NOW!

Leave Your Parcels — Large or Small — of All Rubber Products at Any of the Stations of the Following Gas Companies:
